Here at Freshwater Fruit Farm Holidays we are committed to caring for the unique environment of the Isle of Wight and this is why we are supporting *The Red Squirrel Trust*.

The Red Squirrel Trust is a registered charity and aims to promote awareness of not just squirrels, but all woodland flora and fauna. We encourage visitors to give a voluntary donation which will help the Island's countryside to remain beautiful. *The Red Squirrel Trust* is currently raising funds to purchase a small woodland on the Island to further protect habit and raise awareness.

If you do **not** wish to give a £1 donation to *Red Squirrel Trust*, please cross out the sentence below in *italics*. Freshwater Fruit Farm Holidays will match your donation.

Please complete form using **BLOCK CAPITALS** and write your name, address and date of your stay on the reverse of your cheque.
